

BAIL

If the court has set bail in an inmate's case, the inmate may be bailed out seven days per week, twenty-four hours per day. The person posting the bail must present a valid picture ID. There are four methods of posting bail:

1. **CASH.** Cash will be accepted for bail payment at any time. Cash bail in the amount of \$10,000.00 or more will require that the person paying the bail fill out IRS Form 8300 at the time of the transaction. The form will be provided at the Jail.
2. **BAIL BOND.** Bail bonds provided by a licensed Bondsman will be accepted at any time. The following Bondsmen are available to provide this service:

ALLISON'S BAIL BONDS: 845.224.9675 or 845.569.4900
ROCHELLE BAIL BONDS: 914.447.0671
ALL CITY BAIL BONDS: 800.486.3104 or 845.926.3460

3. **CREDIT CARD.** Bail can be paid with a credit card through a company named Government Payment Service (GPS). You order to bail someone using this method, the person paying the bail must come to the facility to initiate the process. You may call GPS at 888.604.7888 or call the jail at 845.291.7758 for further information.
4. **WESTERN UNION.** You can also bail out by having money sent directly to the Sheriff's Office OCCF Bail Account through Western Union. This may be helpful in cases where the person posting the bail is a long distance from the facility. You can call Western Union at 800.634.3422 for information. You may also access Western Union using the following methods.

***THIS ACCOUNT IS ONLY FOR THE PURPOSE OF PAYING BAIL,
