Orange County Recognized for Excellence in Financial Reporting

Goshen – Orange County Executive Edward A. Diana and Commissioner of Finance Joel Kleiman are proud to announce that the Certificate of Achievement for Excellence in Financial Reporting has once again been awarded to the County of Orange by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The County has received this prestigious recognition every year since 1995.

“The Certificate of Achievement is the highest form of recognition county government can receive in the area of governmental accounting and reporting,” said County Executive Diana. “Its attainment is good news for our County and represents a significant accomplishment by our Finance team -- congratulations and thank you for a job well done,” Mr. Diana added.

The CAFR has been judged by an impartial panel to meet the high standards of the program, including demonstrating a constructive “spirit of full disclosure” to clearly communicate Orange County’s financial story and motivate potential users to read the CAFR.

Orange County’s Department of Finance also received recognition for reporting excellence for their Popular Annual Financial Report (PAFR).

The GFOA is a non-profit professional association serving 17,500 government finance professionals with offices in Chicago, IL and Washington, DC.
