Bottled Water Available for Central Hudson Customers in Orange County
Public Private Partnership Helping County Residents

(Goshen, NY) – Central Hudson Gas and Electric Corporation have bottled water for its customers in Orange County who are experiencing power outages as a result of Hurricane Irene. The Orange County Health Community Outreach Program will be distributing the water tomorrow, Wednesday, August 31, in the City of Newburgh, at 130 Broadway, from 9:30 am to 12:00 pm (noon), while supplies they last. Please note that residents will be limited to one case per customer.
